

he moves Fountain Park

girl with Coffee

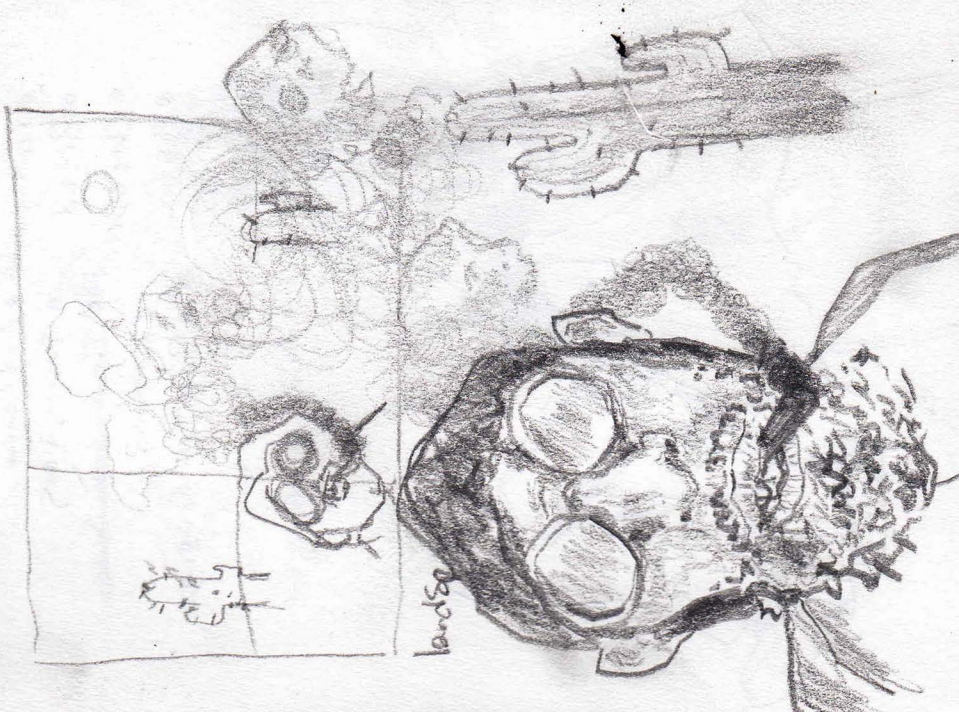

hard to See

Starbucks

Final DRAW

- Failure
  - procrastination
  - huge piece in short amount of time
  - doesn't really intrigue me
- Conceptual Idea's Maybe more interesting?
  - Failing at a drawing technique
    - Abstract • Figure drawing
    - Charcoal
  - theme of drawing
  - ~~religions~~ • Irony in religion
  - High renaissance frescoes?! Caravaggio

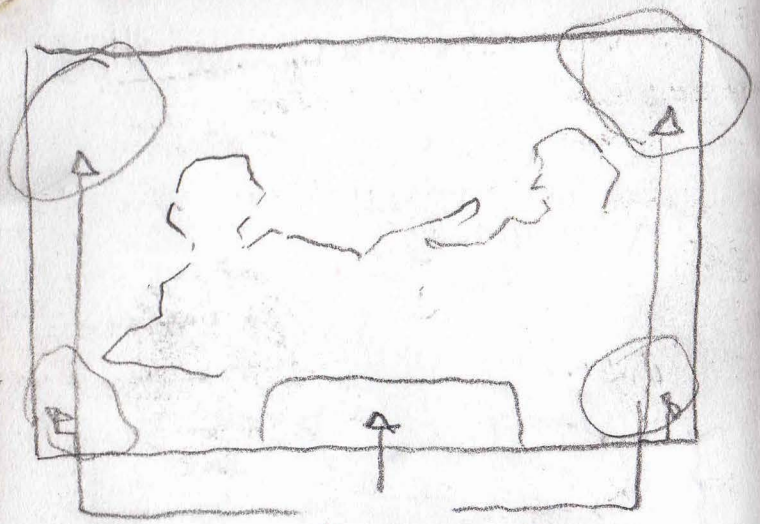

½ teaspoon citric acid

- exploring things
- Humor
- connect and share
- Censorship in illegal
- Sizes (24×36, 20×30, 11×14, 12×18)
- nostalgic

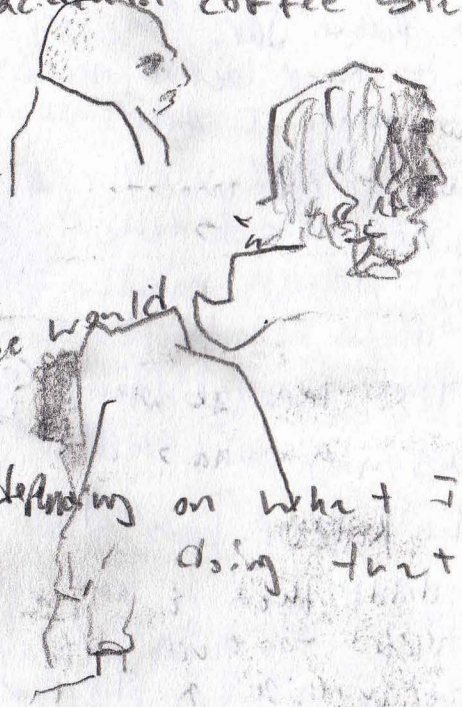

All wen religions
People and poses
• form core whole wall

• Topic was time
• decided to show a wick
of time pass in my life
through accidental coffee stains
• I would
take paper
to a cup
• and
the coffee would
spill by
accident depending on what I was
doing that day

Poetry

chielozonn Eze

- If I Preserve you, tick,
  full of my Blood,
  in a Pickle Jar,
  its to Keep before my eyes
  how mortal I am
- the trick master shifts his stance ← Peggy Willis Lyles

Brad Aaron modlin
"Mice, Toads, Peacocks"

- My late teenage breath: nativity
  freezes in gin and Stardust scene

"Jordan Redekop-Jones" ↓

- You didnt need it anyway,
  it attracted too much attention.
  Better with only a Shadow.

Someone wants your shadow.
"Margaret Atwood"

- Berry Poem Margaret Pu Pl

Grandmother collecting berry

Alot of (Shadow)

Animal mentions

invisible animal dotted lines

coming from the old woman

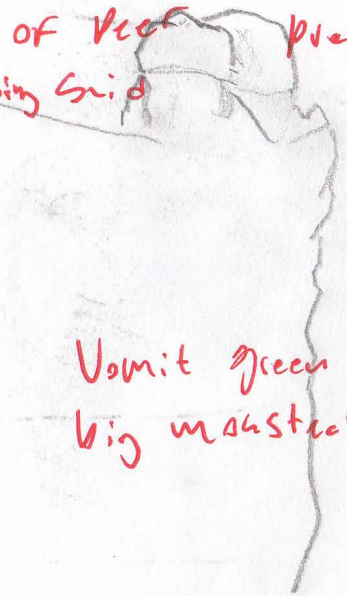

weird animals all around her grave stone of one

chrysanthemums

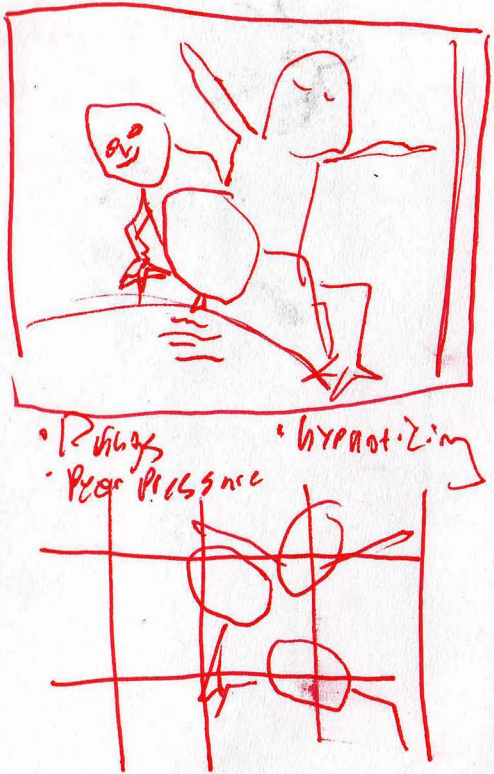

cooking food no matter what is being used college food? enjoying of it. "Rex" and eggs and bacon"

- Raw human emotion thru drugs and the hypnotizing effects of peer pressure and doing said drugs

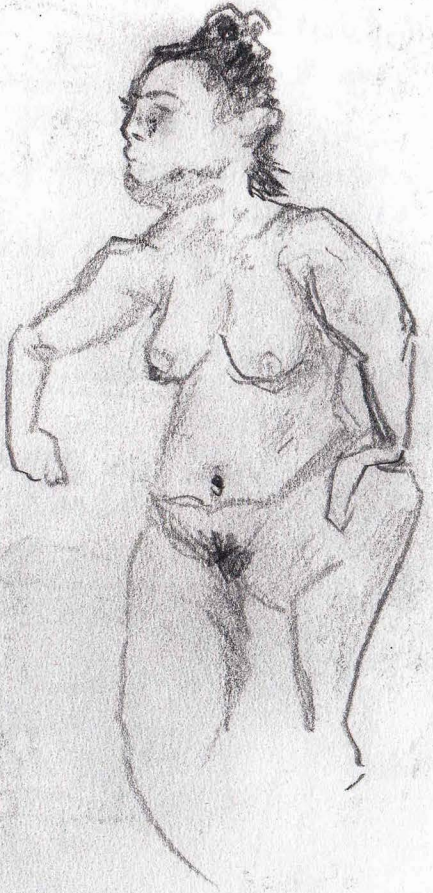

Vomit green head big mushroom

• Pulse
• Peer Pressure
• Hypnotizing

Print Notes

HARD GROUND

- First degrease Plate
  - ← water, then talc use fabric thing
